11/19/67 Al Chapman phoned after 11 last night to repory that he has arranged for me to be on the Chuck Boyles talk show on KLIF, Dallas, on 11/20, from 10 a/m/ until 1 a.m. He says that Boyles is already announcing it. He offered to meet me at the airport, etc. He says this is a 50,000 watt station with a large audience. I asked him to inquires whether TV exposure is also available. I also asked him to notify Penn that I'd like to be there.
